There are few earthly things more
beautiful than a college.
It is a place where those who hate
ignorance may strive to know,
Where those who preserve truth may
strive to make others see;
Where seekers and learners alike
banded together in the search
of knowledge,
Will honor thought in all its finer
ways.
Will welcome thinkers in distress or
in exile,
Will uphold ever the dignity of thought
and learning
And will exact standards in these
things

John Masefield

Take time to work—
it is the price of success.
Take time to think—
it is the source of power.

If you smile at me I will
understand, 'cause that is something
everyone does in the same language.

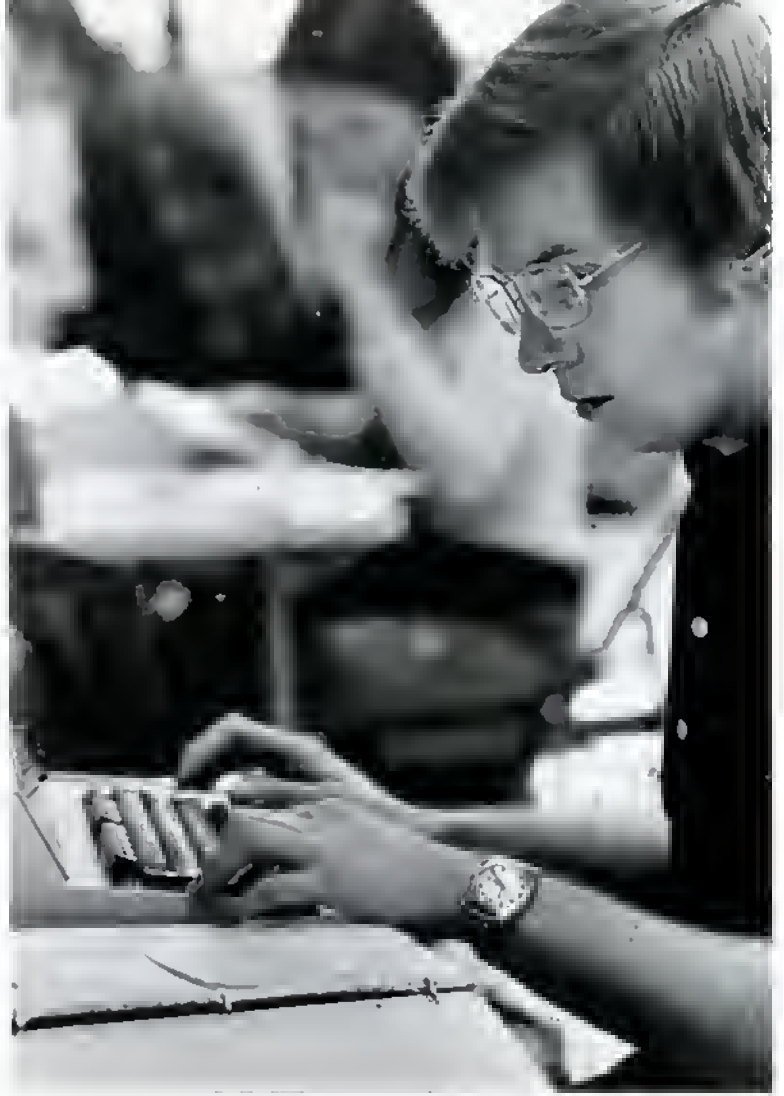

Take time to play—
it is the secret of perpetual youth.
Take time to read—
it is the foundation of wisdom.
Take time to be friendly—
it is the road to happiness.

... and tomorrow's
strength will come
tomorrow—

1970

over the War in Viet Nam, which also caused a significant upheaval between the American government and America's young students.

Also during 1970—

Women's Liberation flares demanding equality ... Ecology, and everyone celebrating Earth Day ... Nixon declared inflation top priority ... Civil War in Jordan ... Apollo 13 near tragedy when oxygen tank explodes ... Midi skirt threatens the Mini ... Monday Night Football, a first on TV ... Deaths: Charles de Gaulle, Vince Lombardi, Janis Joplin.

Very frankly, any senator who talks about sending American forces into Cambodia ought to lead the charge himself. I'm fed up with old men dreaming up wars for young men to die in — particularly stupid wars of this kind that add nothing to our security.
—Senator George McGovern

1970

It seems like just yesterday, but it was 10, 9, 8, 7 ... years ago! A recap of the decade of the seventies.

The year 1970 is remembered for the United States entrance into the Viet Nam War. It was April 1970 when President Richard Nixon ordered the U.S. troops to enter Cambodia. The United States became a nation more split than ever. One tragedy that will never be forgotten is the action that took place at Kent State University in Ohio. Because of riots and demonstrations about the Viet Nam War, National Guardsmen killed four students and wounded at least nine. This incident caused a serious uproar among many other colleges and Universities in the Nation. Studies were done to find out what actually caused the killings. These studies came up with one basic conclusion, there was no reason for this tragedy. The Kent State tragedy has been and probably will always be remembered as just one of the signs of anger and grief

Deaths by hostile action — 47,072
Deaths by nonhostile action — 10,435
Wounded requiring hospitalization — 153,329
Wounded, nonhospitalized — 150,375
Final American casualty figures, Viet Nam conflict, U.S. Department of Defense

1971

1971

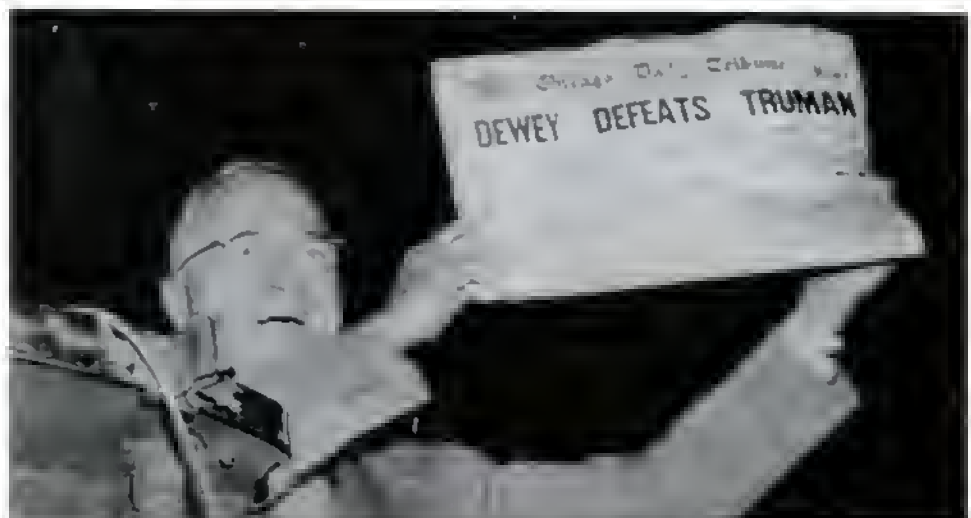

The year 1971 is significant in that relations with the People's Republic of China were improved, a step toward world peace. Henry Kissinger made two trips to the People's Republic in 1971. His first trip was kept confidential but his second trip in October was well publicized. President Nixon planned on visiting China the following year so Mr. Kissinger was making preparations for the important trip. It seems that these efforts to "break down the wall" between China and the United States were well worth the time and trouble. The trips made by Kissinger and in the following year by Richard Nixon would prove to be very significant in the future.

Also during 1971 —

Sadat hints of possible peace someday with Israel ... Ida Amin takes over Uganda ... frozen wages and prices ... At N.Y.'s Attica prison 39 inmates and nine hostages die ... Charles Manson convicted of Tate slayings ... Skyjacking ... earthquake rocks Los Angeles ... Gay Liberation becomes known ... from Midi back to Mini and hot pants ... Archie Bunker ... Movies: "Klute", "The Last Picture Show" ... books: "Bury My Heart At Wounded Knee" ... Walt Disney World opens its gates.

1972

1972

There are certain things in life that happen every four years, for example, the Leap year, and Presidential elections. One other event that takes place every four years are the Olympics. The 1972 summer Olympics stand out in some people's mind as the Olympics of Tragedy. The setting was Munich, West Germany and opening day ceremonies symbolized a feeling of peace, with 5,000 doves being released at the stadium. At the time, no one ever thought this peaceful scene could precede such a horrifying tragedy. The Israeli team quarters were broken into by the Palestinians early one morning. The members of the Israeli team were held captive and two of the athletes were killed because they tried to resist the Palestinians. The Palestinians threatened to kill nine more Israelis if 200 Arabs were not quickly released from Israeli prisons. There was an ambush and five terrorists were killed. Unfortunately, not before the nine Israelis were killed. Even though the Olympics are suppose to signify peace between nations, such an unfortunate tragedy as this occurred and put a damper on the spirit of things.

Also during 1972—

Fighting in Northern Ireland ... Largest voter turnout in 24 years; Nixon victorious ... George Wallace shot during primary ... Sex discrimination ended ... Chess Champ of the World U.S.'s Bobby Fischer ... Movies: "The Godfather", "Cabaret" ... Deaths: Harry S. Truman, J. Edgar Hoover, Jackie Robinson ... Mark Spitz 7 gold swimming metals in Olympics ... Olga Korbut gave USSR Gymnastic Glory in Olympics ... Nixon and Brezhnev sign the first Strategic Arms Limitation.

1973

I don't give a shit what happens. I want you all to stonewall it. Let them plead the Fifth Amendment, coverup or anything else, if it'll save it — save the plan.

—Richard Nixon

1973

1973 brings back memories of the Watergate trial. Dramatic and confusing scenes took place in front of millions of T.V. watchers. John W. Dean accused President Nixon of being directly involved in the coverup of the break-in at the Democratic National Headquarters. Another member of the house staff Alexander Butterfield said that the President had tapes of Oval office conversations. Nixon did not want to give up the tapes. Fuel was constantly being added to the fire and the Congress wanted the President impeached. Finally Nixon did give up some of the tapes for investigation, and then even more conflict aroused when the one tape had an eighteen minute gap. Nixon's days in the White House became numbered.

What did the President know and when did he know it?

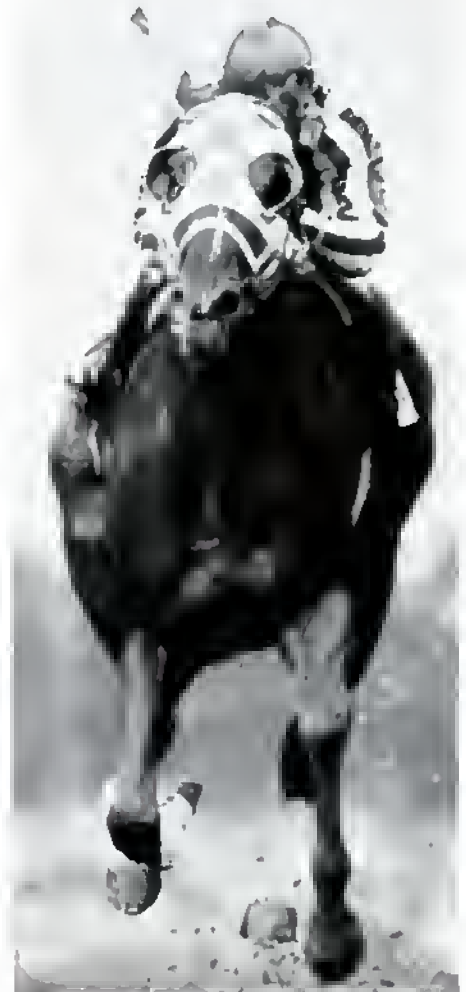

—Senator Howard Baker

Also during 1973—

Yom Kippur war in Israel ... Spiro Agnew resigns ... Arab oil embargo ... Supreme Court legalized abortion during early Pregnancy ... Skylab One ... The horse, Secretariat wins the triple crown ... hang gliding ... Movies "The Exorcist", "The Sting", "American Graffiti", ... Deaths: Lyndon B. Johnson, Pablo Picasso, Cellist Pablo Casals ... Seige at Wounded Knee.

No one in the White House staff, no one in this administration, presently employed, was involved in this very bizarre incident ... What really hurts in matters of this sort is not the fact that they occur, because overzealous people in campaigns do things that are wrong. What really hurts is if you try to cover it up.

—Richard Nixon

1974

I have never been a quitter. To leave office before my term is completed is opposed to every instinct in my body.

—Richard Nixon in his resignation speech

1974

The Watergate dilemma carried over into 1974. President Nixon fought hard to keep his governmental administration together. The Watergate tapes and all the information about the cover-up were brought into the public eye. The House Judiciary Committee voted for the first bill of impeachment in many years. The President became totally frustrated and fed up, so in front of millions, in a dramatic and tearful speech he resigned. He admitted to

I, Gerald R. Ford, President of the United States . . . do grant a full, free, and absolute pardon unto Richard Nixon for all offenses against the United States . . .

—Gerald Ford

some of his errors, and said his farewells. The new President was Jerry Ford, and he was "an honorable man". The country breathed more easily now that the ordeal was finally over. The new President granted Nixon a Presidential pardon and some Americans were enraged. Nixon did not escape the public reaction and to this day some people shiver when they hear Nixon's name and the mention of Watergate.

Also during 1974—

Worst recession in 40 years . . . Patty Hearst kidnapped and transformed to SLA guerrilla . . . Drought in Africa . . . Famine in Bangladesh . . . Transcendental Meditation . . . Bjorn Borg . . . Ali beats Foreman . . . Streaking . . . Movies . . . "Chinatown," "The Great Gatsby" . . . Deaths: Chief Justice Earl Warren, Charles Lindbergh, Chet Huntley; news caster, Duke Ellington, Ed Sullivan, Jack Benny . . . Hank Aaron breaks Babe Ruth's home run record.

No Imperial President, newly appointed Gerald Ford fixes his own breakfast

Ford considered the economy his biggest problem and set out to "Whip Inflation Now."

The President slips on a wet ramp during an official greeting in Salzburg, Austria

I just hope you don't feel that I let you down.

—Richard Nixon

1975

1975

The happiest time of 1975 was when the Vietnam war finally came to an end, totally. Even though a cease fire was agreed upon in 1973, there was still conflict. The U.S. left the Saigon government with 5 billion dollars of arsenal and sent millions more to keep North Vietnam from attacking after the truce. Cambodia and South Vietnam fell prey to Communist offenses. The U.S. Congress refused to aid Cambodia and South Vietnam and Thieu, president of South Vietnam said "America abandoned his people". A massive air-lift took place to rescue the almost fourteen hundred U.S. citizens. There was fighting, looting and other deviant behaviors taking place, but it was the conclusion to the biggest conflict in more than one hundred years.

Also in 1975—

Patty Hearst captured ... Lynette (Squeaky) Fromme points gun at President Ford ... Debate over "Right to life" ... Malpractice crisis ... highest unemployment rate ... N.Y. escapes default ... Alis "Thrilla in Manila" ... Broadway, "A Chorus Line" ... Movies: "Jaws" ... "Monty Python and the Holy Day Grail" ... "Dog Day Afternoon" ... Deaths: Fascist Francisco Franco, Aristotle Onassis, Casey Stengel ... Pete Conies out of retirement ... Streaking.

1976

1976

The Bicentennial of America was the biggest celebration of 1976. America celebrated it's 200th birth; 200 years of freedom. People celebrated all over the country. Operation sail was the most amazing event of the celebration. In the Hudson River 30,000 boats, small and large, surrounded the Statue of Liberty. Included among the boats were 16 tall ships from all over the world. The most amazing part of Operation Sail was at night when the skies above the statue were lit up with glaring fireworks. It was the best showing of fireworks ever. As July 4, 1976 rapidly passed by, firecrackers and Bands could still be heard for miles. Yes America had it's birthday and "Americans troubled Masses weren't yearning to breath

free". because at the moment the masses weren't troubled and they were definitely free.

Also in 1976—

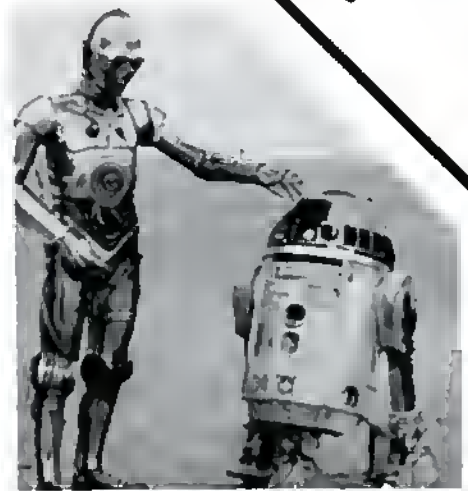

Jimmy Carter new President of U.S ... Patty Hearst convicted of Bank robbery ... Karen Ann Quinlan case ... Viking one on Mars ... Howard Hughes death a mystery ... Concorde SST debuts ... Discomania ... Movies "Taxi Driver" ... "Rocky" ... Books: "The Final Days" ... "Roots" ... Deaths: Mao Tse-Tung.

1977

Egyptian President Anwar Sadat made his historic trip to Israel. Sadat was the first leader to visit there since Israel was born. This trip had been preceded by talks in Geneva about a Mideast settlement. The outlook of these talks didn't look good at all, until Begin agreed to welcome Sadat to Israel. Both countries seemed happy about the decision regarding the trip. Sadat shook Begins

1977

Bing Crosby, Joan Crawford ... Greatest Young jockey ever, Stevie Nicks.

1978

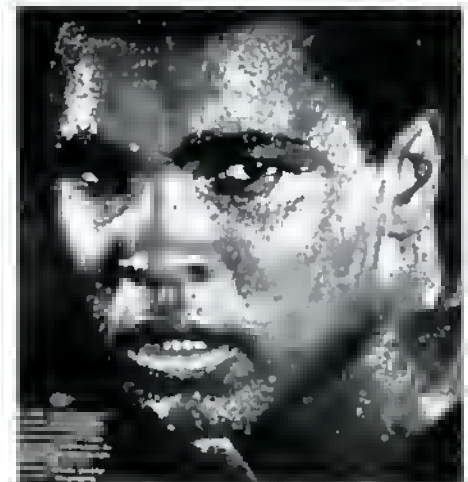

As predicted in 1977, 1978 would be a year with much significance in the respect of world peace. In thirteen days

hand, and this was the first stepping stone to future talks concerning this "Treaty of Peace".

Also in 1977—

Worst Air Calamity collision of KLM 747 and Jumbo jet 577 dead ... N.Y. City blacked out, looting, rioting ... Mopeds ... "Roots" on TV ... David Frost interviews Nixon ... Movies: "Saturday Night Fever" ... "Star Wars" ... "Close Encounters of the

Third Kind" ... "Annie Hall" ... Books: "Falcone" ... "Deaths: Chiang Kai-Shek, President of Nationalist China, Elvis, Charlie Chaplin, Groucho Marx,

of isolated meetings Carter, Begin, and Sadat reached a final decision and moved the Middle East toward a feeling of peace. At Camp David the treaties were signed by the three leaders basically agreeing to a future hope of peace.

1978

"Animal House" ... "Coming Home" ... San Diego's mid-air collision kills 144 people ... Deaths: Golda Meir, Hubert Humphrey, Jomo Kenyatta, Margaret Mead, Karl Wallenda; high wire act.

1979

1979 was the year that brought the Pope, Pope John Paul the 2nd to the United States. The Pope was greeted by millions from the moment he arrived in Boston. Many just wanted a glimpse of the Pope. People wore T-shirts with the slogan, "I got a peep at the Pope". The Pope voiced his disapproval of birth control, divorce, and marriage for priests. The Pope was in N.Y., praying with Cardinal Cooke in the rain. His physical endurance was quite unbelievable for in his short stay he traveled almost 12,000 miles. The Pope also preached at Yankee Stadium in front of 75,000 people. Pope John Paul II's famous line from this trip is when he was applauding a group of children and he said, "Woo, Woo, Woo." Another

Also in 1978—

Mass Suicide in Guyana ... Aldo Moro kidnapped and killed ... Panama Canal treaty ratified ... Pope VI dies, Pope John Paul chosen and 34 days later he dies, now a non-Italian pope elected ... Test tube baby ... Atlantic Balloon crossing ... Spinks beat Ali, and then Ali beats Spinks ... Toga parties ... Movies: "The Deer Hunter" ...

Now" ... "Manhattan" ... "China Syndrome" ... "Breaking Away" ... Deaths: Arthur Fiedler, John Wayne, Al Capp ... The Pittsburgh Pirates Won the World Series in Seven games with Baltimore ... Gas prices double from 1976 ... Starvation in Cambodia.

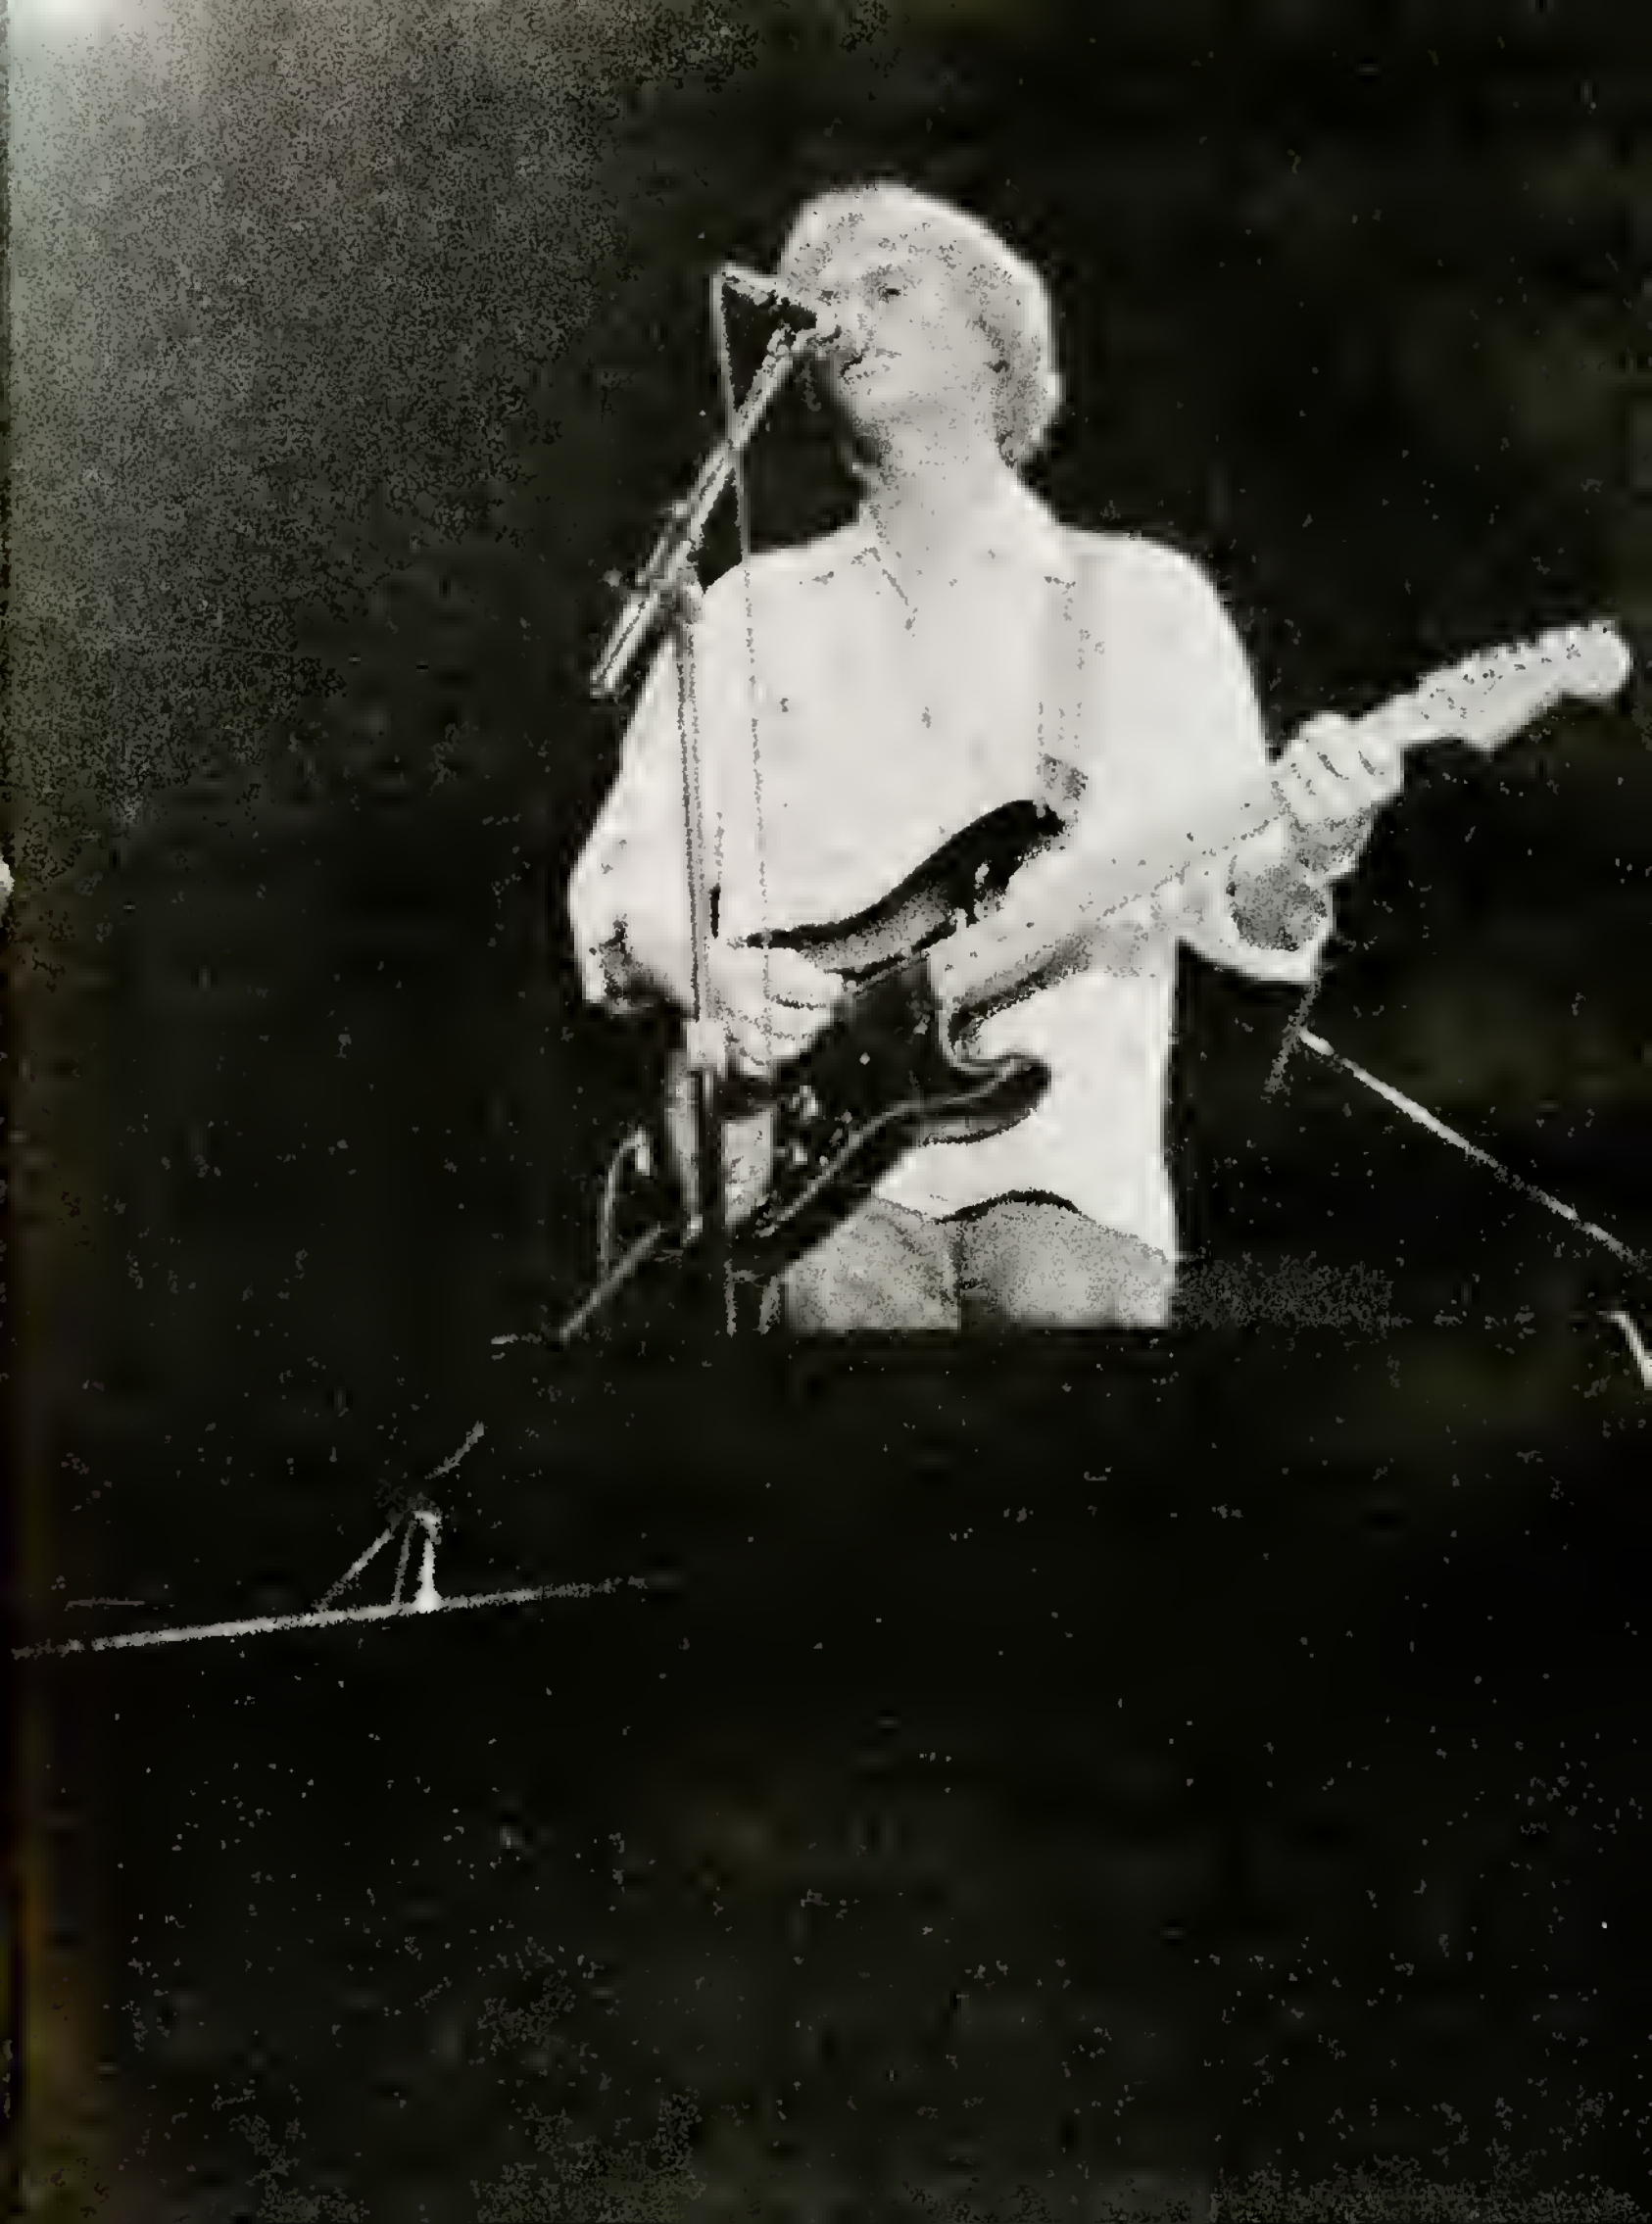

topic of the year 1979 is the impact of the struggle between Iran and the U.S. At the time of this writing the fate of 50 American hostages in Teheran remains uncertain, as the test between Iran and the U.S. goes into it's 2nd month. This uproar will definately effect the United States for a while. There have been demonstrations, beatings, threats and insults that have come from Americans in reaction to the hostage situation. Hopefully peace and hostage release will come. We can only wait as Khomeini jeopardizes American oil supplies and interests in a strategic part of the world. This Iranian crisis is definitely a test of wills.

The pictures of Pope John Paul II are originals given to CARDINAL 1980 by Richard Iceland of Delmar Studio's of New York who was on hand to photograph the Pope. SEMI FORMAL

HOMECOMING '79

Homecoming '79 was one of the most unusual and exciting in PSUC's history. With a theme of "Week-end in Europe", Wilson Hall grabbed top honors with their German float, but Whiteface raised some eyebrows with their protest float. Mary Beth VanDeveer was crowned Homecoming Queen of the parade.

This year's homecoming was characterized by the large number of activities which included the Arts and Crafts Fair, while Hockey replaced Football as the homecoming game.

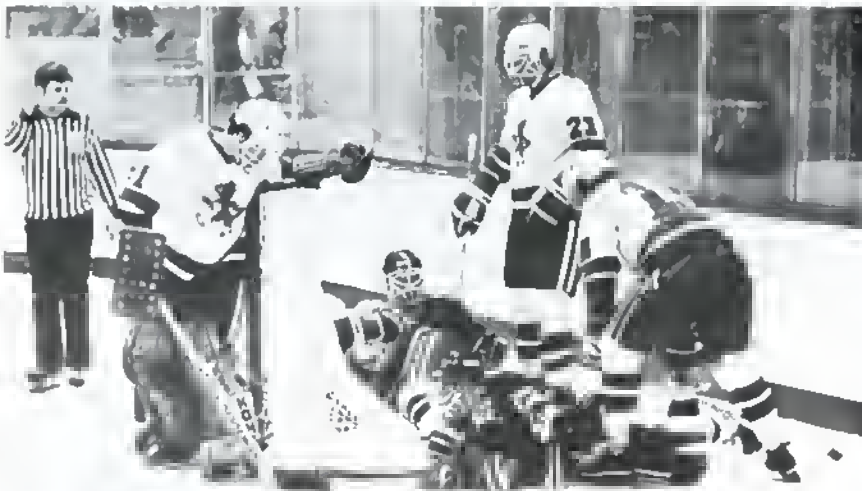

PSUC Hockey and Soccer teams went up against two powerhouses in Division I, Colgate University and Canadian National Finalist Concordia University respectively. The Cards thrilled a sellout crowd with a 7-4 hockey victory, but the Soccer team saw defeat in a tough 2-0 loss.

Charlie Daniels started off the long Homecoming weekend with music at the Fieldhouse and Destiny continued the trend at Pub night.

Everyone danced to the sounds of Cartune at the Semi-formal as Homecoming '79 came to an end.

KARATE

MEN'S SOCCER

This year's Men Soccer team showed a great improvement in team play and the establishment of a new system. Although this year's team did not do too well the team looked excellent. Coach Meyer commented that practically all the games were lost in the late stages, when the strength of a bench matters most. He also said that this was a very young team up against stiff competition.

KNEELING (LEFT TO RIGHT): Debble Stephenson (scorekeeper), Al Mazzone, Tom Harigan, Ernie Bogner, Dave Armstrong (captain), Rusty Hall, Jim Armstrong, Peter Sarle, Jim Dillon, Tom Lysenko. STANDING (LEFT TO RIGHT): Uwe Meyer (coach), Melinda Hrvatin (Manager) John Goralski,

Jonathan Brown, John Rockett, Pat Ryan (captain), Jim Bauser, John Geritz, Bruce Risley, Scott DuBois, Bert Maguvson (coach) Anthony Ortanalo (Head trainer), Sue Kearney (manager). MISSING: Tim Myler (asst. coach).

WOMEN'S SOCCER

The Women's Soccer team finished their season with a record 4-4-2. In an early October game against Lyndon State, Plattsburgh tied with Allison Jenks and Mary Lou Philbrook each scoring a goal. George Hala coached a successful season for 1979-80.

STANDING · Allison Jenks, Kathy Rose, Carol Synder, Mary Lou Philbrook, Sue Schulerud, Margaret Rome, Shelly Phillips, Kathy Lanohan, Toni Waldron, Nancy Tubbs, Penny Fleury, George Hala. SECOND ROW · Sally

Baker, Wendy Wesacar, Peggy Ann Ley, Sue Valley, Sandy Harrison, Brigit Knoebel, Joann Murphy, Sue Mack. THIRD ROW · Unknown, Amy Lang, Mollie Grow, Lydia Darnelio, Carol Taylor.

WOMEN'S FIELD HOCKEY

The Women's Field Hockey Team ended their season by playing a very tough game against St. Mike's College. The Cards had a 1-0 lead at the half, and in grueling match managed to hold on and win 2-1.

The Cards were not so victorious when they played Potsdam State. With fifteen seconds left in the season, Potsdam scored and won the game by one point.

The Cards finished with a fine record of 4-5-2.

FRONT ROW L. TO R.: Laurie Lamando, Lisa Treble, Shella Volta, Cindy Jennings, Nancy Esposito, Linda Billie, BACK ROW L. TO R.: Coach Bardon,

Michele Bronzo, Michele Vilimalre, Sandy Tyler, Ardythe Malistowski, Cherise Gallup, Cathy Barra, Pat Mehnert. MISSING: Karen Naar.

MEN'S BASKETBALL

The Cardinal Basketball team, presently 9-3 on the year, is looking good. Returning Seniors, Paul Eliasmann, Danny Theiss, and Kevin Baldwin hold a strong spot in the foundation of the team. Returnees Grimet, McCorvey, Porcelli and Rizzo and new-comers Walker, Wilfore, Gerney and Espina add much to the hoopsters. Over Christmas vacation the Cardinals became Tournament Champions at Brooklyn College. In the first game PSUC beat Brooklyn and in the championship game they came out on top over Binghamton. We'll be keeping a close eye on those Card hoopsters as they seem to improve with every game.

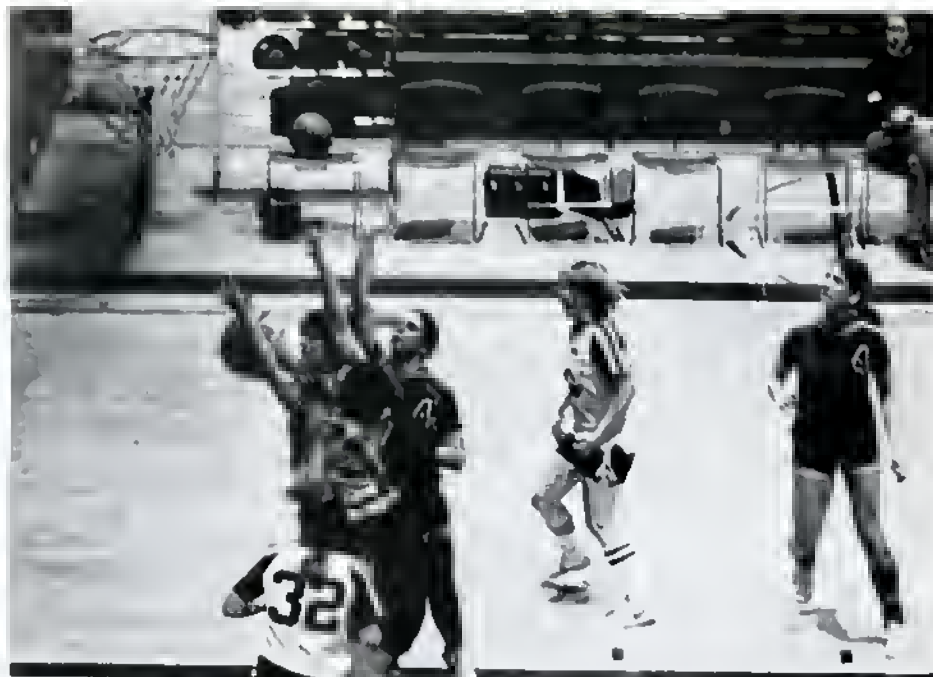

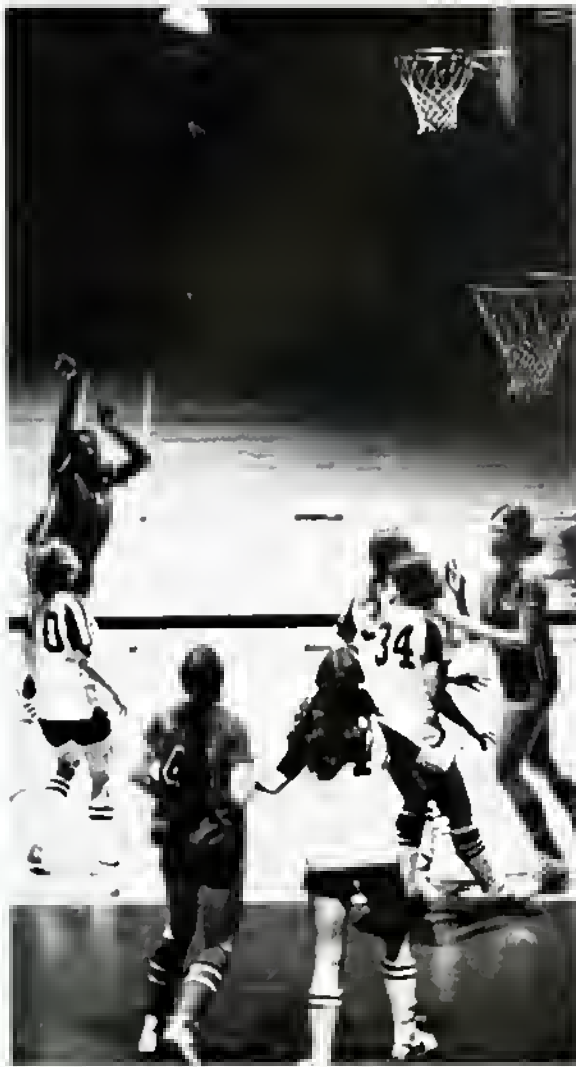

BACK ROW L to R: N. Law, (Coach); Wendell Moore; Wayman Walker; Kevin Baldwin, Capt.; Scott Wilfore; Wynn Grimet; Paul Einsmann, Capt.; Joe Porcelli; Rod McCorvey; Pete Ger-

ney; Mike Espina — KNEELING: Kirk Eskild, Mgr.; Ron Rizzo; Mike Green; Dan Theiss, Capt.; D. Baum, Ball Boy.
